A contract has been entered into for the erection of a mill and cyanide plant capable of handling 1,000 tons of ore daily, which will be completed this year. The directors guarantee that this plant will be placed in operation, regardless of the amount of treasury stock subscribed.

Sensational Preach'r Jailed for Slander Greenwich, Conn., Dispatch, 22d.

The unusual spectacle of a pastor of a church in good standing under arrest, was presented at the Stanford railroad station to-night when the Rev. Edward Bell, pastor of the New Canaan Baptist church, was taken to jail in Bridgeport, Mr. Bell has been preaching against local evils lately and Duff Nichols, the proprietor of the New Canaan Opera House, and the head of several local enterprises, demands \$1,000 damages against the minister for alleged slander. It is alleged that the minister said in his sermon on Sunday evening, August 11th, "that the beautiful Judge Nichols did not draw a sober breath in six months."

Mr. Bell declared in the sermon last Sunday night that those who said he mentioned names told lies. When arrested last night the minister called on several of his parishioners to help him out and Deacon Erastus Tuttle agreed to go on his bond today. The deacon's wife owns the property, and she refused. Mr. Bell could get no other bond and was therefore taken to jail. Mr. Bell came to New Canaan from Brooklyn two months ago.
